

ETD01

- Straight type thermocouple with connection head
- Element type, immersion length and diameter is order option
- Optional 1/2" thread connection

Electrical Characteristics

Element Type	Fe-Const
Protecting Tube Diameter	8 mm
Number of Element	Single
Process Connection	Screw connection (thread) 1/2" (order option)
Immersion Length (mm)	100, 150, 250, 350, 500
